

Product Features

- wetted metal parts made from dezincification-free and corrosion-resistant gunmetal, resistant against aggressive water
- installation, e.g. in access flaps or for flush mounted installation
- maintenance-free EPDM spindle seal
- EPDM-seat gasket
- stainless steel cone
- female pipe thread
- handle with blue or red dot for identification
- free from dead spots

Standards and Approvals

- DVGW approval
- plastic parts with KTW and W 270 approval
- according to accepted materials list from German environmental agency
- according to soundproofing regulations
- ÜA-Reg.-Nr. R-15.2.3-21-17048, WIEN-ZERT

Technical Data

- pressure rating PN 16
- max. operating temperature 100 °C
